Update: COVID-19 Administrative protocols and containment measures under alert level 4

Following President Ramaphosa's address to the nation on 27 June 2021 that the country will move to adjusted risk alert level 4 from Monday, 28 June 2021 to minimise the spread of the COVID-19 delta variant, the Department has issued a draft HRM circular 20 to outline the administrative protocols and containment measures.

The PSA will continue to safeguard the rights of employees by ensuring that appropriate health protocols are implemented to prevent further infections. **Owing to the urgency of the matter**, members are requested to submit inputs on the *attached* draft HRM Circular 20 to peter.mngomezulu@psa.co.za and lulu.hlophe@dha.gov.za by **29 June 2021**.

The PSA wants to take this opportunity to wish all employees who are unwell owing to COVID-19 a safe and speedy recovery.
