## Update: Uniform allowance

The nurses uniform allowance was not paid on the expected date, which was 15 May 2021. The PSA convened a meeting with HOD, Mr Sandile Tshabalala, Labour Relations and Director, Mr Dlamini, pertaining this issue. The PSA is happy to report that the employer has committed to pay the allowance. A supplementary run for nurses' uniform allowance will be paid on 24 May 2021 and should reflect in their accounts 27 May 2021.
