## Update: Non-payment of cash-bonus gratuity for some CET staff

The PSA reported in the previous *Informus* that the outstanding cash-bonus gratuity would be paid on 18 November 2021. It was discovered that some CET staff members did not receive the payment due to them. The PSA raised the matter with the Department, and it was indicated that some CET staff did not receive the cash gratuity on the said date owing to technical glitches and programme challenges experienced on the Persal system.

The PSA urged the employer to rectify the omission as a matter of urgency and implement supplementary payments accordingly. The employer noted the concern and requested that a list of affected employees be submitted to the Human Resources Department. Affected members are therefore requested to submit their particulars to [peter.mngomezulu@psa.co.za](mailto:peter.mngomezulu@psa.co.za) by **19 November 2021**, so that the employer can be pressured to fast-track the supplementary payments.

*The PSA wants to take this opportunity to wish all employees who are unwell owing to COVID-19 a safe and speedy recovery.*
