04-08-2021

COVID-19 cases reported in DSD and closure of Sonjoy Building (West Block)

It was previously reported to members that the PSA will ensure the compliance of employers to COVID-19 regulations. The Department confirmed that there was a COVID-19 case that was reported on 3 August 2021. As per COVID-19 protocol, the PSA expects the Department to immediately arrange decontamination of affected offices.

It was therefore confirmed by the employer that decontamination will be conducted on 4 August 2021. Therefore, because of the decontamination the DSD Provincial Offices will only be ready for occupation on 5 August 2021.

The PSA appeals to members to continue being vigilant and to comply with COVID-19 regulations. Employers that do not comply with COVID-19 regulations should be reported. Members are also encouraged to utilise the opportunities provided by government and the employer to vaccinate to curb the spread of the virus.

The PSA wishes a speedy recovery to the infected officials.
