## Update: Mpumalanga PHSDSBC Chamber meeting

The PHSDSBC Chamber Meeting was held recently and the following agenda items were discussed:

### **Provincial Department of Health organogram: DOH**

A task team was established to deal with the Departmental organogram for the Department of Health and the Department of Social Development. The task team will comprise of four representatives from each labour party, and both departments must submit four per department to the secretary of the Chamber by 21 September 2021.

### **Technicians in Department of Health not in line with PHSDSBC Resolution 2/2012**

This matter has been deferred to the next Chamber meeting. The task team will meet and then report to the Chamber.

### **Correct placement: Telecom operators/Client information clerks**

The employer requested the PSA to submit a list of all affected employees and the DPSA (Department of Public Service and Administration) directive that deals with the upgrading of Telecom operators/Client information clerks. The PSA submitted to employer the consolidated list of affected employees and the required directive on 20 September 2021. The employer will provide feedback at the next Chamber meeting and members will be informed of developments.
