

Feedback: Special Public Service Coordinating Bargaining Council (PSCBC) meeting - 1 March 2021

Commencement of wage negotiations 2021

The PSA and other unions tabled its wage demand to the employer for the cost-of-living adjustment for the 2021/22-financial year. Despite the current dispute on the implementation on the salary increase for the financial year 2020/21, which is still to be heard by the Constitutional Court, wage negotiations for this year had to commence. In summary, the demand is as follows (the full demand is *attached*):

- It is demanded that the cost-of-living adjustment should be CPI + 4% across the board
- That it be a single-term agreement
- That levels 1 to 3 in the Public Service be abolished
- That all outstanding resolutions be implemented
- That parties conclude a collective agreement regulating conditions of service of employees when faced with a disaster like COVID-19
- Housing Allowance to be increased to R2 500
- Special Leave during December closures
- Leave for religious observance
- Disaster Leave
- Reintroduction of Capped Leave
- Leave for gender-based violence
- Pay progression to be allowed beyond the top notches
- Provision of child care and breastfeeding facilities at all Government departments
- Working remotely/greater use of technology, knowledge and innovation
- Prolonged suspensions, frivolous litigation, mismanagement of funds and corruption, outsourced contracts when services can be rendered internally
- Capacity of State Departments
- Full/Permanent Employment/Outsourcing of functions
- Bursary for children of employees of Government
- Providing boarding school subsidies to be effected from Grade R – 12
- Mentoring programme for career advancement

The employer indicated that it would follow PSCBC Resolution 3/2017, which sets out the pre-negotiation process and exchange information on 16 and 17 March 2021, whereafter it will formally respond to labour's demands.

Members will be informed of developments.

PSCBC will conduct an independent audit on compliance with the occupational health and safety act and the report must be tabled at PSCBC for discussion and ensuring the compliance with the OHSA.</p>

	<p>(e) Moratorium on the filling of Vacant Posts Clause 14.1.4 of PSCBC Res.1 of 2007 indicate indicates that the employer needs to submit quarterly reports of funded vacancies, number of vacancies advertised, number of vacancies filled, or unfilled and reason for this. The employer has failed to comply.</p> <p>(f) Comprehensive Danger Insurance Clause 7 of PSCBC Res.1 of 2018 instructed the PSCBC to ensure that a research is conducted on a comprehensive danger insurance. The employer has since been giving reports that they are busy with the research to council.</p> <p>g) The rest of all outstanding matters must be subjected to a secondary process by parties within six months to ensure the implementation of all others not listed above.</p>
5. Parties to conclude collective agreement regulating conditions of service of employees when faced with disaster like Covid 19	Lessons from handling of Covid 19 situations warrants a concrete resolution to challenging situations of disaster management similar to the Covid 19 pandemic, with a Risk ALLOWANCE of 12% of basic salary.
6. Housing Allowance	<ul style="list-style-type: none"> • That the current allowance be increased to R2 500 • The savings option in the housing scheme should be made a voluntary option. • Employees should be paid out their savings from the scheme upon resignation from the Public Service • The Public Investment Corporation (PIC) must create a housing investment portfolio that will directly invest in the scheme
7. Leave	<p>7.1 Special Leave during December closure</p> <p>Government provides employees with statutory annual leave days. However, these days end up being reduced because of the compulsory</p>

	<p>annual shutdown certain Government Departments, over the Christmas period. It has been the practice of Government over the years to deduct these days from annual leave days from employees, even if employees want to work during this period. In this case, employees are forced to take leave.</p> <p>Special leave for days equal to the December closure days is hereby demanded.</p> <p>7.2 Leave for religious observance:</p> <p>It is proposed that (three days per annum) to be granted and incorporated in the Public Service Act personnel</p> <p>7.3 Disaster Leave</p> <p>A disaster is defined as a sudden, abrupt or unpredictable circumstance, which causes human, material, economic or environmental losses, exceeding the ability of the affected employees to cope with them i.e. floods, storms, lightening, fire, strikes etc.</p> <p>Employees affected within the agreed definition shall inform their employers of their predicament and request time off of a paid day or 2. The employer shall not unreasonably withhold such request.</p> <p>7.4 Reintroduction of Capped Leave</p> <p>Employees to have the option of en-cashing their leave during in service and not wait until death, retirement or disability as well as to en-cash more than the 10 and/or 15 day current limitation.</p> <p>7.5 Leave for gender-based violence.</p>
--	--

	Labour demand a special leave provision for workers who are victims of gender-based violence given the rising atrocities and to allow for such victims to receive proper medical and social intervention.
8. Pay Progression	Labour demands that pay progression be allowed beyond top notches of salary levels as well as personal salary notches.
9. Provision of Child Care and Breast-feeding facilities at all Government Departments	<p>To provide aftercare facilities in all Government Departments to ensure productivity of the parents knowing that their toddlers or infants are taken care of and that they can closely monitor their progress in development.</p> <p>The demand includes setting up breast feeding breaks.</p>
10. Working remotely/ greater use of technology, knowledge and innovation.	<p>With the onset of Covid-19, the use of technology has opened a new order in the world of work. Employees managed to adapt and were able to fully operate effectively from home. This brought opportunities in how the workplace is structured for Government as an employer which should be considered and further explored.</p> <p>Currently, and in the past, several challenges was identified with Government Buildings which have resulted in buildings being closed and services interrupted. It also became costly to maintain such buildings.</p> <p>With people working from home, it did not only yield a saving in Government expenditure on electricity, water, stationary usage, telephone cost, and various others daily operating costs, but with permanent restructuring of the workplace, it can further result in savings made on the rental and acquiring of buildings for Government Services, which can fully operate remotely.</p> <p>The list of benefits that such an arrangement can bring is endless. It will also allow for those who can work from home to save on transport,</p>

	<p>childcare facilities and thereby ensuring that children are also protected and cared for by their primary care giver.</p> <p>Savings made, can allow Government to redirect such funds to Government employees, to ensure that the operating cost of electricity and premise utilisation is compensated for. This will increase income and further contribute to economic development.</p> <p>There should be a permanent arrangement which will provide for such flexibility.</p> <p>It is demanded that a circumstantial allowance be introduced.</p>
11. Prolonged suspensions, frivolous litigation, mismanagement of funds and corruption, outsourced contracts when services can be rendered internally, etc.	<p>It is demanded for immediate action and the development of alternative means and an action plan to address prolonged suspensions in the public service, the avoidance, curbing and resolving of matters that are taken for frivolous litigation and plans with timeframes on the recovering of mismanaged funds and those lost to corruption.</p> <p>This will also contribute to proper management of state resources and a subsequent long-term increase in state revenue.</p>
12. Capacity of State Departments	<p>It is demanded for the permanent employment of Community Health Workers and Community Development Workers. It is believed that this process will contribute to the reaching of the targets as set in the National Development Plan for the increase in Social Services. This will also bring relieve to overburdened State Officials and address safety concerns in policing sectors.</p>
12.1 Full/ Permanent Employment/ Outsourcing of functions	<p>An urgent need exists for Government to increase capacity, not only in the Health Sector, but also in Correctional Services to address the inmate – member ratio and in the Police.</p>

	<p>Labour is demanding the full-time employment of all fixed term contract employees who have been in the department for more than 4 months.</p> <p>Despite previous demands and considering the targets set in the National Development Plan, it is proposed that the achievement of the target set for full employment should commence in the Public Service.</p> <p>Labour is also demanding for the insourcing of functions, such of Security Officers Cleaners and others.</p>
13. Bursary for children of employees of Government	<p>To ensure improved productivity, building capacity, ensuring a developmental state, access to education should be fostered by Government and that it should start with its own employees who are part of the community at large.</p> <p>To ensure that productivity is enhanced in the process, the obtaining of a bursary or access thereto can be included as an achievement as a performance reward.</p> <p>The current process in the PSCBC should be finalised within a 6 month period from the signing of the agreement.</p>
14. Providing boarding school subsidies to be effected from Grade R -12	<p>Employees who, because of the requirements of their job requirements, have to reside with their families in areas which necessitate their school-going children (Grade R to Grade 12) to travel daily more than 50km and/or having to cross unsafe rivers between the employee's domicillium and the nearest primary, secondary and special school, may place their children in a boarding school of their choice and may apply for a subsidy to defray the cost of the boarding school.</p>
15, Mentoring Programme for career advancement.	<p>Post Covid-19, for the public service to retain and attract young competitive staff. The public service needs to have programmes that that ensure career advancements and assist the public servants to compete favourably with the private sector.</p>

16. Enforcement of collective bargaining agreements	It is labour's submission that an amendment of the PSCBC constitution such that it is empowered to ensure enforcement of all collective bargaining agreement signed under it including at all sectoral councils.
