

Update: Occupational Health and Safety (OHS) and Policies Committee meeting

Occupational Health and Safety (OHS)

A Western Cape Region OHS Committee meeting was held on 25 June 2021 where the various districts presented their progress report pertaining to OHS matters. These presentations can be obtained from your PSA shop steward. PSA members are to discuss their concerns/non-compliance issues with their PSA representatives in the districts (i.e. Metro 1,2, Regional/BMU, Eden Karoo, Boland) and present these concerns during District OHS meetings. Should an agreement not be concluded during that meeting, it can then be escalated to the OHS Regional Committee via the PSA representative.
