## Feedback: Special DALRRD Departmental Bargaining Forum - 8 August 2024

### Demarcation: Johannesburg and Vryburg Deeds Offices

The employer reported that it is in the process of opening offices in Vryburg and Johannesburg. The employer would take certain functions of sectional title deeds to the two mentioned offices. The aim is to bring service delivery closer to clients. The two offices would start to work from 1 April 2025. This process would necessitate a transfer of employees to the two offices. Parties agreed to establish two task teams with two representatives per party. The task teams will focus on the issues of transferring employees, which will be at the cost of the employer. The task team would first ask for volunteers and others will be seconded. No employee will be forced to be transferred. Vacant posts will be advertised.

The PSA noted the report and requested to be provided with the total number of employees to work at Vryburg office. The employer agreed to provide the requested information by 16 August 2024. Members will be informed of developments.

Employees who want to join the PSA can visit the PSA's website ([www.psa.co.za](http://www.psa.co.za)), send an email to [ask@psa.co.za](mailto:ask@psa.co.za), or contact PSA Provincial Offices.
