Connecting PSA Eastern Cape members

The PSA invite all members in the Eastern Cape served by the Provincial Offices in Gqeberha and Mthatha to connect with the PSA on the Union's various social media platforms and the PSA Member Portal. Staying connected ensures that members are always informed about the latest news, events, and updates from the Union.

Stay informed and engaged

Through the PSA Member Portal, you can:

- View and update your membership information
- Generate your PSA membership certificate and electronic membership card
- Request proof of indemnity insurance (for relevant occupational groups)
- Submit and track cross-transfer requests
- Lodge enquiries

Make sure to stay connected through the PSA website at www.psa.co.za, and follow the PSA on *Facebook*, *X (formerly Twitter)*, and *Instagram*. This platform is designed for you to engage, share your thoughts, and connect with fellow members. Your voice matters!
