## Free State Provincial Office Moves to New Premises

We are pleased to inform you that the PSA Bloemfontein Provincial Office has officially relocated to new premises that better suits our operational needs and remains accessible to all members, including those using public transport.

New Address:

**82 Kellner Street  
Westdene  
Bloemfontein**

We are currently in the process of finalising our internet connectivity, and we anticipate being fully operational by Tuesday, 1 October 2024. Please note that during this transition, there may still be limited services available, but we are working hard to ensure a smooth and efficient setup.

Thank you for your patience and continued support. We look forward to welcoming you to our new office and providing enhanced service from our new location.
