## Members appreciation message

The PSA Johannesburg Provincial Office extends heartfelt gratitude to all members who participated in the recent intersectoral meeting. The event hailed as a resounding success, provided a memorable opportunity for the union administration to connect with its members and strengthen their collective bond.

For those who were unable to attend, there is no need to worry. The intersectoral meeting is an annual event held during each financial year, rotating across various regions under the Johannesburg Office. This ensures all members can participate, enjoy, and create lasting memories.

As the year ends, the PSA Johannesburg Provincial Office wishes all its members a joyful and safe festive season, spent in the warmth of family and friends. May the Lord keep you safe, and we look forward to reuniting safe and sound in 2025.
