Why your participation is important

Helping the PSA grow is not just about increasing numbers, it is about strengthening the Union's collective voice. Every new member adds to the PSA's ability to advocate effectively for better working conditions, fair representation in hearings and arbitrations, and impactful collective bargaining. By recruiting new members, you are directly contributing to the empowerment and support of your colleagues, ensuring that shared goals are met with greater influence and success.

Join this exciting competition and play your part in building a stronger, more unified PSA!
