27-11-2024

Feedback: GPSSBC Chamber meeting – North West

The following items were discussed during the North West GPSSBC Chamber meeting:

Appointment of officials: Department of Education

Members will recall that the PSA has submitted the names of schools involved in the investigation and the employer was to give an update on progress with the matter. The employer reported that the investigation was concluded on the following schools: Delareyville Primary School, Zeerust High School, and Lichtenburg High School. Labour, however, raised concern that the report was not informative, in that it had no dates and did not state the teams who were established to conduct the investigation. The employer committed to providing a comprehensive report with specific details as per terms of reference and *modus operandi*, amongst others. The employer also undertook to consult the principals in the Department to ensure that outstanding schools such as Orkney High School, Leeudoring Primary School, and Swartuggens High School, were accordingly investigated. The matter remains on the agenda for further reporting in the next Chamber meeting.

Collective Agreement: Tools of Trade, including Uniform Traffic Officers

The matter was removed from the agenda by parties, unanimously with the understanding that it would be reintroduced should a need arise.

Review: GPSSBC Resolution 1/2012 - Governance Rules for Chambers

The matter was removed from the agenda by parties.

Members will be kept informed of developments, and are welcome to contact Mr Moribe on 082 9079002 / abram.moribe@psa.co.za.
