## Update: Labour Court - Implementation of section 23 of *IPID Act 1 of 2011*

In the previous *Informus*, members were informed that the employer (IPID), had made an application to the Labour Appeal Court (LAC) to appeal the ruling by the Labour Court, which had ruled in favour of the PSA and ordered the IPID to implement the benefit in full. Members were also informed that the matter was scheduled to be heard by the LAC on 28 August 2024.

On 28 August 2024, the Court granted the IPID the opportunity to pursue rescission. This process requires the exchange of documents between all parties involved, with a new court date to be scheduled for arguments.

Members will be informed of developments.
