Pay progression update

The PSA has requested the employer to pay the delayed pay progression by the end of October 2024. The payment, which was originally due in July, has now been confirmed by the employer. The employer has assured the PSA that pay progression for all qualifying employees on salary levels 2 to 12, whether covered by the OSD or not, has been processed. Employees can expect the payment to reflect in their bank accounts by not later than Thursday, 10 October 2024.
