## Victory for PSA members at DOJCD in Mpumalanga

### Parking permits restored

The PSA is pleased to announce a successful resolution for members at the Mpumalanga Regional Offices of the Department of Justice and Constitutional Development in Nelspruit. This victory addresses a critical concern raised by members regarding the withdrawal of parking permits.

In May 2024, the employer and the landlord revoked the parking permits that had previously allowed employees safe and secure parking at the regional offices. This decision forced employees to pay for daily parking expenses, whilst still facing monthly deductions from their salaries for parking facilities they could no longer use. A total of 37 affected members, with the assistance of the PSA Provincial Chairperson, lodged a collective grievance through the PSA Provincial Office. The grievance was formally submitted to the employer, highlighting the unfair situation, and requesting the reinstatement of parking privileges.

The PSA is pleased that members with private transport have been reissued with parking permits, ensuring access to safe parking without additional daily expenses. Members have expressed satisfaction with the outcome and the support received from the PSA.
