## Update: North West Department of Health

As previously reported, the Department of Health requested approval from the DPSA to make payments for the overtime exceeding 30%, which was denied. Several meetings were held with the employer, during which labour expressed disappointment about the failure to obtain the approval. The MEC then took it upon himself to request approval from the Minister.

On 30 October 2024, the MEC called an urgent meeting with all labour leadership to give feedback on the matter. Unions were informed that the Minister of the DPSA had approved R51 million to be applied to these payments. Labour was assured by the MEC that the process would take no longer than three weeks and that a task team consisting of labour and the employer would be established to monitor these payments.

Members are advised that Kabelo Moalosi will be representing the PSA on the task team. For any enquiries he is available on [Kabelo.moalosi@psa.co.za](mailto:Kabelo.moalosi@psa.co.za) / 082 880 8996.
