North West DPWI: Provision of personal protective equipment (PPE)

The PSA received a report indicating that employees rendering cleaning services in the Department of Public Works and Infrastructure, housed in the Court building in Klerksdorp, are performing duties without PPE (*i.e.*, masks, boots, and overalls). The PSA engaged the employer in this regard and the employer requested to be afforded an opportunity to investigate the matter. The PSA agreed to afford the employer the opportunity to investigate. The employer made a commitment to present the outcome of the investigation to the PSA in due course.

Members will be informed of the outcome once received from the employer.

Employees who have not yet chosen the PSA as their Union of Choice can contact Patience Mashaba on 082 880 8943 or Nozi Monaisa 082 880 8992.
