SASSETA: Salary increments for 2024/25

Members will recall that the PSA received a counteroffer from SASSETA, after the PSA's revised salary demand of 9.5% in May 2024. SASSETA presented a counteroffer of 6.5% on 2 August 2024, after the board had its meeting on 29 July 2024. On 7 August 2024, after consultations with members, the PSA made a revised demand to SASSETA of 8%. SASSETA reported that the board would hold a meeting to consider PSA's demand on 28 August 2024.

On 2 September 2024, the PSA received a final offer from the SASSETA board of 6.5% for practitioner level staff and below. Members are encouraged to caucus on the final offer by the SASSETA and to provide a mandate if the PSA must accept the 6.5% offer. Meetings will be held during the coming week to obtain mandates from all members.

Members will be informed of developments.
