## Feedback: Intervention by GPSSBC - DoJCD Chamber

Members were previously informed that the DoJCD Chamber is dysfunctional, whereby parties are unable to engage in a social dialogue to attend to the challenges facing the Department and its employees.

The PSA subsequently wrote to the GPSSBC General Secretary seeking intervention to resuscitate functionality of the Chamber. The PSA indicated that the Chamber collapsed because the employer came without a mandate every time. The employer acknowledged its shortcomings and indicated that the employer representatives in the Chamber have been changed. All parties committed to ensure that the Chamber functions effectively for the sake of labour peace at the DoJCD. Parties agreed that the GPSSBC will preside over the chamber meetings until the Chamber is stable. Furthermore, parties agreed to have the first Chamber meeting for this year on 19 February 2025 to engage on all outstanding items on the agenda.

Employees who want to join the PSA can visit the PSA's website, send an email to [ask@psa.co.za](mailto:ask@psa.co.za), or contact PSA Provincial Offices.
