Extension of Travel Allowance

As members are aware, the HSRC Durban office was relocated to Sweetwaters, which unfortunately led to increased travel expenses for affected members. Recognising this financial burden, the PSA intervened and successfully negotiated a travel allowance with the employer for an initial period of twelve months, set to expire on 28 February 2025.

The PSA is pleased to inform members that the PSA has once again engaged the employer regarding the expiry of the travel allowance and successfully secured an extension for an additional twelve months. This means that financial support for travel expenses will now continue until February 2026. The PSA remains dedicated to addressing both collective and individual concerns affecting members. Members are encouraged to stay engaged and reach out to their PSA representatives for assistance with any workplace challenges. This successful negotiation highlights the power of unity and collective action in securing better working conditions. The PSA will continue to advocate for the best interests of members. For any enquiries or further assistance, please do not hesitate to contact your PSA representatives.

Employees who want to join the PSA can visit the PSA's website, send an email to ask@psa.co.za, or contact PSA Provincial Offices.
