## Update: Mpumalanga Department of Health

### Salary upgrade: Health Information Officers

The PSA requested to place an agenda item in the bilateral meeting held between organised labour and the employer to discuss some of the issues that are affecting employees, The item was related to salary upgrades for Health Information Officers employed in the different sub-district offices in Mpumalanga. Health Information Officers working in the different hospitals in Mpumalanga were upgraded as per the job evaluation results by the employer, leaving those who are in the sub-district.

The PSA immediately intervened after this matter was brought to the Union's attention, and an agreement to upgrade the salaries of the other Health Information Officers who are based in the sub-district was reached in that particular meeting. Subsequent to that, the PSA wrote a follow-up letter to the accounting officer reminding the employer about the resolution taken in that meeting, and it was reported that indeed the employer has implemented the salary upgrade of the other Health Information Officers.

PSA members employed as Health Information Officer in the sub-district, under the Mpumalanga Department of Health, whose salary upgrade was omitted, should contact the PSA Provincial Office in Mpumalanga, using the following email address: [sbongile.ngomane@psa.co.za](mailto:sbongile.ngomane@psa.co.za).
