Victory for PSA members in Mpumalanga

- A member at the Mpumalanga Department of Health was transferred from one institution to another owing to operational requirements. The transfer was based on mutual agreement. The employer placed the employee in another institution, and she consented to that process, and it was an advantage to her since she was now closer to home. However, the employer did not provide her with a letter confirming the transfer. She was placed without any written letter confirming her movement. The PSA intervened by writing a letter to the Head of Department. The matter was resolved, and the letter was issued by the employer.
- Another member at the Mpumalanga Department of Health requested a cross-transfer. The member was informed that the application for the cross-transfer was disapproved without any valid reason. The member then requested the intervention of the PSA. Surprisingly, it was established that the application did not reach the Head of Department. It was misplaced before it even reached the HR section. The PSA assisted the member with a new application, which was submitted and approved by the Head of Department. The member was very happy with the outcome.

Any employee interested in joining the PSA is requested to contact the following PSA employees for assistance: Sylvia.Watkins@psa.co.za / 082 880 8941 and Thandiwe.Mziyako@psa.co.za / 060 962 8512 or the PSA Provincial Office in Mpumalanga on (013) 741 7500.
