FOR PSA MEMBERS: **SOUTH AFRICAN SOCIAL SECURITY AGENCY (SASSA) - WESTERN CAPE**

23-04-2025

SASSA Cape Town: Occupational health and safety: Harsh air temperatures - Golden Acre (5th and 7th floors)

The PSA is extremely concerned about SASSA's delay in attending to the ongoing call raised by employees via the Occupational Health and Safety (OHS) Committee for its intervention to address harsh air temperatures experienced on the 5th and 7th floors of the Golden Acre building in Cape Town.

The PSA has now called upon the Department of Employment and Labour for action against the employer for its failure to meet its legislative obligations in terms of the *Occupational Health and Safety Act, 85 of 1993* and the SASSA OHS Policy, 2015.

The PSA thanks the Union's shops stewards for being alive to the OHS challenges facing members at various SASSA offices, which allows the PSA to provide just action in response to the problem. All OHS matters must be reported to the OHS Committee via the PSA shop stewards failing which, the PSA Provincial Office will intervene.

Members will be updated on developments.
