## CELEBRATING A YEAR OF EXCELLENCE

### Success cannot be achieved by the PSA without the support of its shop stewards.

The PSA's General Manager, Mr Ivan Fredericks, described 2017 as a momentous year for the Union. There were many highlights, which were accompanied by challenges. In such instances the PSA relies heavily on its shop stewards to maintain the link with members.

On 31 January 2018, the PSA recognised its top recruiting shop stewards during a gala event in Pretoria. Prior to the event, the shop stewards attended a workshop with a life coach. The training included an outlook on shop stewards' challenges and how to realise staying power and build on it. The PSA's General Manager in his welcoming address indicated that the purpose of the workshop was to make shop stewards aware of their true potential and of how high they can reach if they continue tapping into it.

**Mr AP Ramukhithi** from Limpopo is the Top Recruiting Shop Steward for 2017. He received his award from PSA National Manager, **Ina Kuhn**, and acting Assistant General Manager, **Pieter Koen**. Mr Ramukhithi also won the prize for the 2017 Top Dedicated Shop Steward and walked away with a travel voucher of R11 500!

The PSA would like to thank ALL shop stewards for their dedication in service of the Union and its members!
